Office of the Governor  
State of Oklahoma

**EXECUTIVE DEPARTMENT  
EXECUTIVE ORDER 2022-06**

**OKLAHOMA SECRETARY  
OF STATE**

In 2019, the Oklahoma legislature passed, and I signed House Bill 2612, which added to the list of information that public bodies are required to make available on their websites. The additional requirement related to the disclosure of how a public body stores personally identifiable data and with whom the information is shared. To date, most, but not all, public bodies have complied with this additional disclosure requirement. Compliance with state law is, and will continue to be, the expectation of every employee of the Executive Branch.

As a result, therefore, I, J. Kevin Stitt, Governor of the State of Oklahoma, by the authority vested in me pursuant to Sections 1 and 2 of Article VI of the Oklahoma Constitution, and to ensure compliance with 74 O.S. § 3106.4, hereby direct all "state agencies," as defined by 61 O.S. § 327(A), as follows:

1. On or before August 1, 2022, provide the appropriate Cabinet Secretary written notification of the following:
  - a. Whether the agency has complied with 74 O.S. § 3106.4; and
  - b. If the agency has not complied, a detailed explanation as to the reason(s) for non-compliance and all steps taken to become compliant.

I further direct all Cabinet Secretaries to work with the state agencies under their respective purview to ensure compliance with 74 O.S. § 3106.4 and report to the Governor's Office any refusal to comply by September 1, 2022.

Copies of this Executive Order shall be distributed to the chief executives of every State agency, board, and commission for immediate implantation. Copies of this Executive Order shall also be distributed to each Cabinet Secretary.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Oklahoma to be affixed at Oklahoma City, Oklahoma, this 3<sup>rd</sup> day of May, 2022.

OFFICE OF

THE GOVERNOR  
STATE OF OKLAHOMA

OKLAHOMA CITY, OKLA.,

No. HB 4192

May 3, 2022

TIME SIGNED: 10:07 am

TO THE HONORABLE SPEAKER OF THE HOUSE  
AND MEMBERS OF THE OKLAHOMA HOUSE OF REPRESENTATIVES  
SECOND REGULAR SESSION OF THE  
FIFTY-EIGHTH OKLAHOMA LEGISLATURE

ENROLLED HOUSE BILL NO. 4192:

This is to advise you that on this date, pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution to approve or object to legislation presented to me, I have vetoed House Bill 4192.

Currently, Oklahoma law requires all public bodies to publish certain information on their or a general website (if the agency uses a general website). *See* 74 O.S. § 3106.4. This requirement was most recently updated in November of 2019, which means public bodies should already be in compliance.

HB 4192 would provide for the removal of agency directors whose agencies fail to comply with current website publication requirements within twelve (12) months of the effective date of this bill. While I fully support the goal of this bill and expect all agency directors to comply with state law, this bill gives agency directors twelve additional months to comply with publication requirements that took effect nearly three years ago. Rather than extend the compliance period another year from the effective date of this bill, I have issued Executive Order 2022-06, which will accomplish compliance at a much earlier date.

For these reasons, I have vetoed House Bill 4192.
